Dear Director Cabral,

The **Leadership in Education Academy and Development (LEAD) – Philippines**, a service-oriented organization for educational leaders and teachers will be conducting series of monthly seminars which will start on April 28, 2018 with the theme **“Engaging School Leaders and Teachers: Challenges and Reforms”**. The opening seminar will focus on interesting topics on **“Getting Ready for SY 2018-2019: New Challenges and Reforms”** and **“Revisiting DepEd Core Values”**. This whole day seminar will be held at SM Cinema 1, SM City Novaliches.

In this connection, we would like to request from your good office to invite participants from the basic education of the National Capital Region both public and private sectors to participate in this professional gathering. We have carefully chosen topics to address the needs of the participants and excellent speakers/facilitators to share their expertise. This seminar will offer personal growth and the need for continuous professional development.

A minimal fee will be charged from the participants to cover expenses for seminar kit, materials, and souvenir program. We have attached other seminars to be conducted and details of the seminars can be found at the organization’s FB page (lead.phils). The participants can reach us through our secretariat office, Springfield School- International, 797 Quirino Highway, Gulod, Novaliches, Quezon City, and the following contact numbers 09178761969, 09205360332 and 02-6166223.

Hoping for your immediate positive and favorable response.

Sincerely yours,

Mario C. Lucero, PhD, SPBE
President

Seminars for the SY 2018-2019

Theme: "Engaging School Leaders and Teachers: Challenges and Reforms"

Rationale: This seminar will provide avenues for professional and personal development of teachers and educational leaders. It offers varied topics which are timely and essential in the educational repertoire. It allows participants from both public and private to keep abreast with the changing needs of the learning community.

General Objectives: At the end of the conference, the participants shall have:

- a. Been prepared and equipped with skills for the many challenges of school leadership and teaching profession;
- b. Realigned their vision as regards to the changing context of educational reforms;
- c. Learned from the sharing of the resource speakers and examined their present practices to cope with the educational change;
- d. Set directions for further development of their school programs and activities through effective school leadership and teaching performance; and
- e. Learned from speakers/facilitators in enhancing one's profession and have earned units for the PRC's continuous professional development program.
