DIRECTOR PONCIANO A. MENGUITO

DepEd-National Capital Region
Misamis St., Bago Bantay, Quezon City
Fax No. 453-8374

Dear Director Menguito,

Greetings!

On 03 March 2018, the Philippines will be joining the global celebration of the fourth UN World Wildlife Day (WWD2018). The celebration of the WWD provides unique opportunity to mobilize people around the world to celebrate the many beautiful and varied forms of wild fauna and flora, demonstrate the multitude of benefits that wildlife provides to people, and raise awareness of the urgent need to step up the fight against wildlife crime which has wide-ranging economic, environmental and social impacts. With the theme "Big cats: predators under threat", this year's celebration of the World Wildlife Day will give special attention to big cat species, which include the Leopard cat (*Prionailurus bengalensis*) that is found in the Philippine forests.

Among the activities that we lined-up for this year's celebration is the holding of the Third National Wildlife Quiz Bee for High School students of public schools in Metro Manila and nearby provinces to be held on 02 March 2018. The activity aims to enhance the youth's awareness and appreciation of the richness, importance, status and conservation of the Philippine wildlife; and, eventually gain the youth's support in advocating wildlife conservation in the country.

In relation to this, we wish to invite Grade 9 students enrolled in any public high school at the NCR to participate in the said Quiz Bee contest. Each interested school may send one representative to the contest. Attached is the registration form including the mechanics of the contest for distribution to various Schools Division Offices at the NCR. The accomplished form should be sent to this office within the registration period of January 16 to February 15, 2018, through telefax no. (02) 925-8953 or by email at bmb@bmb.gov.ph. The first ten (10) schools from NCR to register on or before the set deadline will be accommodated in the contest.

Should you have further query/ies, please do not hesitate to contact us through the above-mentioned telefax number. You may look for Ms. Lorlie R. Salvador of the Wildlife Resources Division for the purpose.

As in previous years, we are looking forward to the DepEd-NCR's participation in this endeavor.

Thank you and best regards.

Very truly yours,

THERESA MUNDITA S. LIM
Director

4th WORLD WILDLIFE DAY
03 March 2016
Global Theme: *Big cats: predators under threat*

The Philippine Celebration
Activity : 3rd WILDLIFE QUIZ BEE

Date and Time : March 2, 2018; 1:00 PM
Venue : BMB Training Center
Ninoy Aquino Parks and Wildlife Center
Quezon Avenue, Diliman, Quezon City
Registration Period : January 16 to February 15, 2018

GUIDELINES:

The contest is open to all Grade 9 students from public high schools at the National Capital Region (NCR), Region 3 and CALABARZON. The first thirty (30) public high schools (10 per Region) to register will automatically qualify for said Quiz Bee. Each participating school shall send one (1) official candidate who is presently enrolled for SY 2017-2018. The school's candidate must be accompanied by a duly authorized teacher-coach.

The contestant should wear the complete prescribed school uniform, including the school ID, during the quiz. Writing materials, *i.e.* pentel pens and metacards, will be provided by BMB and no one is allowed to bring any gadgets, materials etc. during the competition. If a contestant is found to possess such gadgets, he/she will be automatically disqualified. A contestant found cheating will also be disqualified.

The Champion and the 2nd and 3rd placers will each receive a trophy and cash prizes, as follows:

Champion	-	₱ 10,000.00
2 nd Placer	-	₱ 7,500.00
3 rd Placer	-	₱ 5,000.00

Non-winning participants will receive a consolation prize of P2,000.00 each and a Certificate of Participation. Participating schools will receive a Certificate of Appreciation.

The Quiz Bee's Technical Team shall be composed of a Coordinator, a Quizmaster, three (3) members of a Panel of Judges, two (2) Point Recorders, one (1) Time Controller and five (5) facilitators to ensure the orderly process of the activity.

The awarding of winners and distribution of certificates will commence right after the quizbee.

MECHANICS:

Coverage:

The quiz bee will cover general information on Philippine wildlife, including relevant policies, conservation status, among others.

Answers may be in multiple choice, fill in the blanks, true or false. The contestants should write their answers legibly on the metacards to be provided by the Facilitators. Misspelled answers are considered incorrect. Wrong placement of punctuation marks, if applicable, is likewise considered as incorrect. If the answer to a particular question is the scientific name of the species, such scientific name should be underlined (in lieu of italicized letters that are normally used). Further guidelines shall be provided during the contest proper.

Questions:

The contest shall have two rounds, the Easy Round and the Difficult Round. A total of 20 questions will be asked. Ten (10) questions for the easy round and another ten (10) questions for the difficult round.

A correct answer in the easy round is equivalent to two (2) points, for a total of 20 points for all correct answers. For the difficult round, a correct answer is equivalent to three (3) points, for a total of 30 points for all correct answers. The total number of points for both rounds is 50. The contestant who garners the most number of points is declared as the Champion. The next two highest point-earners will be the 2nd and 3rd placers, respectively.

The questions will be read by the Quizmaster twice. The contestants shall pick up their pentel pens and start writing their answers on the metacards only after the Quizmaster says "GO." The time limit is 10 sec for the easy round and 15 sec for the difficult round. The time limit will automatically begin upon announcement by the Quizmaster that "TIME STARTS NOW". The timer will sound off at the end of the allotted time. When the time is up, all contestants must put down their pens and raise their metacards. The Quizmaster will then announce the correct answer. The assigned facilitator will approach each contestant to check on their written answers. In cases of questionable answers, an appeal may be directed to the panel of judges who will then decide whether the answer is acceptable or not. The appeal must be raised before the next question is read by the Quizmaster.

Scores will be flashed on the wide screen and will also be officially recorded. Points obtained shall be tallied after each round. The Quizmaster will announce the standings after each round. In case of a tie for the 1st, 2nd or 3rd place, tie-breaker question/s will be given. If only one contestant gives the correct answer in the first 2 tie breaker question, he/she will be automatically declared as the winner.

WORLD WILDLIFE DAY
March 2, 2018

THIRD NATIONAL WILDLIFE QUIZ BEE FOR HIGH SCHOOL STUDENTS

Registration Form

A. Participating School

School name: _____
Address: _____
Contact Number: _____
Email address: _____

B. Name of Coach: _____
