Dear Madam:

Greetings from APEC Schools!

Affordable Private Education Center (APEC Schools) is a fast growing chain of private high schools committed to provide high quality education at affordable cost. A joint venture between **Ayala Education** and **Pearson**, a UK-based global learning company. APEC Schools presently operates across 27 sites in the National Capital Region and Region IV-A.

As part of our vision to transform thousands of lives through affordable and high quality education, APEC Schools is K-12 ready and currently offers comprehensive **Junior and Senior High School Programs**.

In line with this, we would like to seek permission from your good office to introduce our Junior and Senior High School program in your division for the benefit of your Grade 6 and 10 students and their parents. Points for discussion will include:

- **World Class Education from Ayala and Pearson**
- **English Mastery and Technology Immersion (Free Use of Laptop)**
- **Key Industry Partnerships (Ayala Group of Companies and Affiliates)**
- **Comprehensive Curriculum and Values Formation**
- **Half Day Class Schedule and No Homework Policy**
- **Air-Conditioned Classrooms with CCTV**

We are very excited to get your support on this project. Thank you and we look forward to your positive response.

Sincerely,

Marvin Tampon
