**Dear Ms. Gayola:**

This has reference to the implementation of Pantawid Pamilyang Pilipino Program in your locality.

Considering the crucial role of the Local Action Team in the implementation of the Pantawid Pamilya, it is deemed necessary and urgent to provide a training – orientation with the said group to equip them with the knowledge about the program, discuss issues and concerns confronting the Pantawid Pamilya partnership between DSWD and the Local Government Units and partner agencies and enumerate the specific roles and functions of both partners in the implementation of the program.

The activity also aims to formulate plan of action on operational concern and identify areas for improvement to strengthen the implementation of the program at the local level.

In this regard, there will be a Local Action Team (LAT) Orientation for Marikina City on February 9, 2018 of the following schedule:

- 1<sup>st</sup> Batch (Education Facilities Focal) 8AM to 12PM
- 2<sup>nd</sup> Batch (Health and Day Care Focal) 1PM to 5PM

Relative to this, we would like to invite your public/private school facilities particularly those facility focal who are not yet oriented about the program to attend the said LAT orientation.

We give our sincere appreciation for your support to the program for the past years. Our partnership is highly valued by the Department and we recognize your significant contribution for the success of the program.

Thank you.

Very truly yours,

  
**VINCENT ANDREW T. LEYSON**  
Regional Director
