Dear Dr. Cabral,

Greetings!

We are happy to inform you that **Canon Marketing Philippines** "SIKAP-Pages Beyond Words" Comprehensive School Program, an advocacy campaign of Canon Marketing (Philippines) in partnership with Marylindbert International and the Department of Education is now implemented in the select schools.

Part of implementing protocols of this program is a contest that will show the creative and artistic talents of the students through photojournalism, and photography and how they fully understand the craft through visual images, and will help better empathize what it takes to create the images and how they understood about adding the pursuit of photography and photojournalism. The contest is open to all public and private schools in NCR.

We would like to request your kind office to help us disseminate the above information to the schools included in the program via a memorandum. Further, we would also like to ask permission to use Aurolo High School, Manila as the venue of the above-mentioned activities. Regional Finals will be on March 23, 2018 (Friday). FREE snacks will be served. NO FEES will be collected.

And also, we would like to request Dr. Jocelyn Marcial to overlook and help us with this activity.

For more inquiries, please call (632) 899-1943/44.

We thank you again in advance for your usual kind support.

Very truly yours,

Jonathan G. Pauig
