Dear Ma'am:

I am delighted to inform you that this coming month of February, we are celebrating the 14th National Dental Health Month, "**NGIPIN INARUGA MULA PAGKABATA MALUSOG NA NGITI BAON SA PAGTANDA**". In line with this, our Dental team, the Marikina City Health Office Dentists and Dental Aides, prepared activities which will promote and raise awareness of the importance of a good oral hygiene to our schoolchildren and fellow Marikeneans.

In line with this, may we ask your good office to permit the Principal and Teachers of different barangay Daycare and Preschool students to join us in the celebration of the Oral Health Month event. Our section prepared an Oral Awareness Activity (puppet show, sealant application/fluoride application, distribution of oral hygiene kit for selected students), which will be held per district. Your cooperation and support to our planned activity will be highly appreciated, and will surely make the celebration a success.

Attached herewith is the calendar of activities for your guidance.

Hoping for your kind consideration.

Respectfully,

ANNA LISSA A. DE LOS REYES, DMD
Chairman, Oral Health Month
