Warm greetings from **Informatics International College!**

Informatics, the world leader in Information Technology education, offers your students an opportunity to higher quality education in Business and Information Technology (IT), leading to better career opportunities and a brighter future.

Our courses are validated by Informatics International in Singapore and by the National Computing Center (NCC) in Manchester, United Kingdom. These are recognized as well by the Technical Education and Skills Development Authority (TESDA), the Commission on Higher Education (CHED) and Department of Education (DepEd) with Government Permit No. SHS-35, s. 2015

With this, we would like to request permission from your good office to conduct **Career Orientation for Grades 10 and 12 students to all public and private secondary schools in the Division of Marikina**. We will be presenting the opportunities that await them if they venture into the field of Business and IT and give them a solid understanding on what they should be equipped with to realize success. The talk will surely be an informative and fun experience for all students.

Hope that this request will merit your kind approval.

Thank you very much.

Sincerely,

JENNIFER CAMACHO
Admissions and Marketing Officer

VON NIELSEN BUENAOBRA
Admissions and Marketing Officer

DR. ROBERTO DELA CRUZ
School Principal
