Manila will be holding an activity entitled ***“Promoting the Human Right to Reproductive Health: Training Seminar for Public School Teachers and Guidance Counselors”*** that will serve as a means of engaging faculty members, school administrators and guidance counselors in an in-depth discussion of reproductive rights and health issues. This will be on **March 19 (Monday)**, 8:00am to 5:00pm at First Floor Lecture Hall, Bocobo Hall, U.P. Law Center, Diliman, Quezon City.

It is our goal to encourage the research and training on reproductive health as a human right thus this seminar-training will involve the disciplines of law, medicine, social sciences, and education geared towards integrating the perspectives of ethics, gender, and human rights.

We hope the Department of Education – Marikina City Schools Division Office will allow faculty members which, with your kind permission, would include guidance counselors, health or science teachers and the school principals or assistant principals to participate in the sessions. We request a total number of 50 to 60 participants to join us in this forum date.
