MR. WILFREDO E. CABRAL
Officer-in-Charge, Office of the Regional Director
DEPARTMENT OF EDUCATION – NATIONAL CAPITAL REGION
Misamis Street, Bago Bantay, Quezon City

Dear Mr. Cabral:

In celebration of June 2018 as Philippine Environment Month with the theme: "*Beat Plastic Pollution*", the Environmental Management Bureau (EMB) of the Department of Environment and Natural Resources (DENR), will be holding an environmental song writing competition dubbed as "*Kantalikasan*". Said song writing competition is open to all interested participants, specifically, students from secondary levels (junior and senior high). Since it will be their own composition, the message will come from their mind, heart and soul. Consequently, they will practice what is in their own output. It is easy to convince the people, through the songs, as it is the initiative of the youth.

In relation to this, we would like to request your Office to issue a regional memorandum circular to announce, encourage the students to participate and send their entries to the "*Kantalikasan*" environmental song writing. Attached are the guidelines and mechanics of the competition for your information and guidance.

We look forward to your favorable response on this matter. Should you have any other queries, please contact Ms. Lorizel Montealegre, EMB Environmental Education and Information Division (EEID) at telefax number (02) 928-46-74; mobile number 0999-5361345 or e-mail us at ecofriendlyschools@gmail.com.

Thank you very much.

Very truly yours,

MS. ELENIDA DEL ROSARIO-BASUG
OIC-Director, DENR Climate Change
Service, and Concurrent Chief, EMB-EEID
