LETTER OF INVITATION FOR MIND EDUCATION SPECIALIST TRAINING (MEST)

Dear Sir:

Greetings in the name of God's blessings for the year 2018 and in the name of gratitude to Him for the grace of 2017

IYF together with the **International Mind Education Institute (IMEI)** was founded with the concept of **A Changed Mind, A Changed Life, A Changed World** by endowing leadership advocacy through a progressive and challenging mindset which is indeed needed for the development of the students and youth in general in the country

IYF and IMEI in cooperation with the local offices of the Department of Education have implemented the Mind Education program across different places in the Philippines for the past three years where more than 55,000 teachers and educators have been in attendance in our joint events.

For this year, we will be holding the "2018 International Mind Education Specialist Training" in South Korea, on April 23-28, 2018, Japan on May 21-26, 2018, and here in the Philippines on February 16-18, 2018 with expected participants of 300 educators and other professional workers/employees from different government agencies. kindly check the attached poster of the events schedule.

In this regard, we are requesting your good office to support this international seminar through a wide dissemination of invitation to teachers, principals, supervisors, and school officials to attend the said event. In particular, we would like to request for a copy of memo or advisory which we can disseminate to the said expected participants.

We are cordially inviting you, your Supervisors, Principals, Head Teachers, and Teachers to partake in this event

The following are the good points about the said event:

1. The IMEST Philippines will serve as an orientation or workshop to all principals and teachers who will join the Mind Education Specialist Training in Korea and Japan.
2. Opportunity to have an International License for International Lecturer by passing the examinations and evaluation.
3. To strengthen leadership capabilities and change youth's mindset to be the future leaders of the next generation
4. Continues professional development
5. International certificate

We hope that these requests merit your most favorable consideration. Thank you very much!

Respectfully yours,

Ms. Emily Paquera
