Dear Dr. Cabral:

Rizal Technological University, a state university located in Mandaluyong City, will be hosting its **1st International Conference and Workshop on Technology and Strategic Classroom and Research Innovations** with the theme "*Educational Innovation and Technological Research towards Productive Learning Outcomes on the Current Trends*" on October 16-18, 2018 at the Functions Rooms, 8/F BSA Twin Towers Condotel, Julia Vargas Avenue, Mandaluyong City (at the back of Megamall). The aims of this conference are (1) to promote the exchange of ideas and experiences, (2) to offer an avenue where we can learn from each other the emerging trends and innovations in education, and (3) to strengthen the networks among the members of the academe.

This Conference is collaboration between RTU and International Cross-Cultural Exchange and Professional Development (ICEPD) – Thailand, a registered organization in Thailand that provides professional growth and development to the members of the academe through seminars, workshops, and conferences.

Relative to this, we would like to seek your approval and endorsement of the said conference to all the schools in your region.

We would be delighted to have the teachers from the National Capital Region participate and share their research, innovation or any related paper on the third day of the event. Likewise, we encourage participants to impart their innovative ideas through demonstration teaching on the second day of the conference.

Registration fee is Php 6,500.00 inclusive of conference kit, certificate, morning and afternoon snacks and lunch for three days. We also offer an early bird rate of Php 5,500.00 if the participants register on or before September 15, 2018. Onsite registration is Php 7,000.00.

For inquiries and reservations, they can contact *Dr. Susan S. Dominguez* at 0923 278 1866 or email her at sansu_ph@yahoo.com or *Prof. Rolando Emilio C. Socorro* at alamrers@vanoo.com.

We value your support and participation as we look forward to receiving a favorable response from you.

Very truly yours,

ROLANDO EMILIO C. SOCORRO, MMEM
Executive Director, ICEPD-Thailand
