Dear Sir Cabral,

Greetings from Ascendens Asla Group (AAG) and Singapore Institute of Multidisciplinary Professions (SIMP)!

AAG and SIMP started this initiative of organising Multidisciplinary Research Festivals (MRFs). MRF is inspired by the concept of **Oklahoma Research Day (ORD)**. ORD is a premier academic research event in the State of Oklahoma that is a consortium event coordinated by Oklahoma's Regional Universities to hold an annual celebration of student and faculty research, creative, and scholarly activities. During this event, SIMP-AAG is collaborating with the **National University Nazareth School (NUNS)** to hold its **1<sup>st</sup> SIMP-AAG-NUNS MRF to be held this 8<sup>th</sup> of October 2018 at the Multi-purpose Hall, 12<sup>th</sup> Floor, Annex Building, National University, M.F. Jhocson St., Sampaloc, City of Manila, Philippines.**

With a little twist, SIMP AAG'S MRFs are designed to cater to **Junior and Senior High School / K-12 / A Level / Undergraduate, Graduate, and Post-Graduate Level** researchers. SIMP-AAG started this initiative of opening an opportunity for collaboration with various institutions with a prime objective of creating opportunities for students, faculty, staff, and researchers-alike from different institutions to interrelate/interact with their counterparts. MRFs are expected to aide and promote personality development and critical thinking of the participants as they engage themselves in constructive discussions with other participating researchers. Researches on any field of discipline are considered. The presentation galleries setup during MRFs organised in select schools are open to the public with minimal admission costs and everyone is invited to interact with research poster presenters.

*Publication:* Research papers accepted and presented in this event shall be digitally published in the: "**Ascendens Asla Journal of Multidisciplinary Research Abstracts**" (AAJMRA, ISSN: 2591-7064) submitted to the National Library Board of Singapore. E-copies of the conference proceedings shall made available to the public via <http://www.aaresearchindex.com/ojs>.

In this regard, may we humbly request for the Department of Education's highly esteemed advisory for this endeavour.

I have attached herewith annexes with relevant information related to this event as well as our organisations' portfolio. Please do not hesitate to contact us anytime through email at [1MRF-NUNS@AscendensAsla.com](mailto:1MRF-NUNS@AscendensAsla.com), call/Viber/WhatsApp/SMS at +639177984595, or call us through telephone numbers +63 (2) 554 1186, should you have further queries.

Looking forward to your affirmative response. Thank you!

Very truly yours,
