Ponciano A. Menguito
Regional Director
DepEd NCR

Dear Dr. Menguito,

Greetings!

The University of the Philippines Science and Mathematics Majors Advocating Responsible Teaching (UP SMMART) is a university-wide, academic organization based in the College of Education, University of the Philippines, Diliman, Quezon City. Among its goals is to pursue academic excellence and foster the development of a truly pro-people, mass-based science and mathematics education.

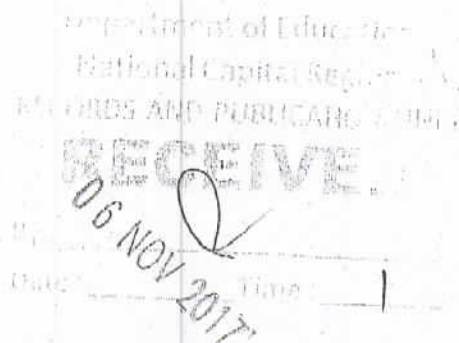

In February 2018, our organization will be celebrating its 22nd Founding Anniversary. As part of the activities of the organization lined up for this celebration, our organization shall hold the annual **Think-A-Link Essay Writing Contest** for public and private elementary school students. This contest intends to put their writing skills to the test with the incorporation of scientific and mathematical concepts. The activity will be on **January 27, 2018 (Saturday) at the UP College of Education**.

In line with this, our organization is seeking permission that will allow schools in National Capital Region, from private and public secondary schools to participate in the said activity. We are also requesting for your help to disseminate a memorandum inviting secondary schools in National Capital Region covered by the Department of Education.

Attached herewith is an invitation letter to schools, the pre-registration form, and the contest guidelines that shall give further details about the activity. For inquiries, please feel free to contact us through the following:

Mark Janos P. Rongalerios
