Officer-in-Charge
Office of the Regional Director
National Capital Region

Dear Mr. Cabral:

Greetings!

As per declaration of the International Federation for Home Economics (IFHE) in 1982, every 20th day of March is celebrated as the World Home Economics Day (WHED). For this year, the national celebration will be held on March 17, 2018, 8AM onwards at San Isidro Central School, San Isidro Nueva Ecija with the theme, "*Home Economics Literacy: Skills for Healthy and Sustainable Cooking*".

The Philippine Home Economics Association (PHEA) being an active member of IFHE, would like to request your good office to issue a regional memo encouraging the *Edukasyong Pantahanan at Pangkabuyahan (EPP)* and the Technology and Livelihood Education (TLE) and ALS teachers, coordinators, head teachers (HTs), master teachers (MTs), principals and supervisors from both public and private schools to participate on the national celebration or hold an event or special activities in relation to the above-mentioned celebration in their respective schools, districts or divisions. We believe that this will provide opportunities for EPP and TLE teachers from both public and private schools to work together for the betterment of Home Economics Education and its related discipline- Industrial Arts and information and Communication Technology and Alternative Learning System.

We hope that this request will merit the favorable approval of your good office.

May God bless you abundantly with good health and more accomplishments!

Very truly yours,

SUSANA V. GUINEA
President
