Assistant Schools Division Superintendent  
Officer-In-Charge  
Office of the Schools Division Superintendent

17 November 2020

**DR. SHERYLL T. GAYOLA**

Superintendent  
Schools Division- Marikina  
Shoe Ave., cor. Sta. Elena St., Marikina City

Dear **Dr. Gayola**:

The Department of Science and Technology (DOST) will celebrate the 2020 National Science and Technology Week (NSTW) on November 23-29, 2020 with the theme “**Agham at Teknolohiya: Sandigan ng Kalusugan, Kabuhayan at Kinabukasan**”.

For the first time in its history, the DOST will be staging the 2020 NSTW celebration in virtual mode from 23-29 November. The theme for this year’s celebration aims to highlight the numerous initiatives of the DOST, agencies, regional offices, and the entire scientific community in the area of research and development; practical technologies; innovation in agriculture, industry, and health; technical services and trainings; and technology upgrading assistance to entrepreneurs to help every Filipino adapt to the new normal brought about by COVID-19.

The virtual NSTW celebration also aims to bring science and technology closer to the people. The week-long event hopes to allow stakeholders to learn and experience the wonders of science and technology through the exhibits from DOST Agencies and Regional Offices, showcasing their latest and most innovative products and technologies.

In this regard, we are pleased to invite you to visit and view the DOST-NCR’s virtual exhibition on November 23-29, 2020 via [nstw.dostncr.ph](http://nstw.dostncr.ph). **Admission is free.** Attached to this letter is the webinar schedule which will be shown on the virtual exhibit for your reference.

If interested, please register online thru the site [nstw.dostncr.ph/register](http://nstw.dostncr.ph/register). For inquiries and further information regarding the matter, please contact **Ms. Rose Ann Fernandez** at telephone number **8-529 0641**.

Thank you and we look forward to seeing you at the virtual exhibit.

Very truly yours,
