Dear Dr. Torrecampo:

Greetings from PBSP!

We would like to thank you and the whole Schools Division Office of Marikina City for your invaluable support and partnership in our various education projects.

Together with Accenture Philippines, Inc., we are currently implementing the Skills to Succeed (S2S) Academy which uses a website that offers a total of 36 interactive modules that will help Senior High School students gain a better chance of getting employed.

Thank you also to your team and all the schools who actively participated in the Skills to Succeed Academy Orientation held last 01 August 2019 at the Jesus Dela Peña National High School.

The schools’ participation and interest to implement S2S Academy as supplemental activities in the Senior High School Program is a testament of your commitment to ensure that learners are equipped with skills needed to build their future careers.

In line with this, we would like to ask for your support and approval in implementing the Skills to Succeed Academy for the Senior High School students in the Division.

Please feel free to contact the undersigned, through 02-5273748, 09085053492 and cfbalboa@pbsp.org.ph for concerns and inquiries.

Thank you very much!

Very truly yours,

Sincerely,

CHRISTINE F. BALBOA
