Dear Sir,

Greetings of Peace!

On October 1 to 6, 2019, we will celebrate WORLD SPACE WEEK 2019. During World Space Week, space education and outreach events are organized by space agencies, aerospace companies, schools, planetaria, museums, and astronomy clubs around the world.

In lieu of the celebration of World Space Week 2019, the BEDAN SOCIETY OF YOUNG ASTRONOMERS – the astronomy organization of San Beda University SHS would like to sponsor an interschool quiz contest entitled "SPACE QUIZ 2019" which is a friendly competition which aims to improve learning of space science and basic astronomy. The objectives of SPACE QUIZ 2019 are:

- To contribute to the improvement of awareness, interest, understanding and gain insight on space sciences and basic astronomy;
- To foster interest of career opportunities in astronomy and space sciences

In addition to the SPACE QUIZ we will have an "ON THE SPOT POSTER MAKING CONTEST" The contest is open to JHS and SHS students. Each participant should submit ONE entry only. The poster must illustrate, interpret and emphasize the theme of the WORLD SPACE WEEK 2019 celebration: “The Moon: Gateway to the Stars,”

The interschool SPACE QUIZ 2019 and the ON THE SPOT POSTER MAKING CONTEST will be held on Saturday October 5, 2019 from 8:00 AM to 1:00 PM at the Abbot Lopez Hall, San Beda University. NO REGISTRATION FEE is required. We would like to invite the schools under your jurisdiction to participate in our celebration of World Space Week 2019. Attached are the guidelines for the Space Quiz and the On The Spot Poster Making Contest. Please visit our FB page BEDAN SOCIETY OF YOUNG ASTRONOMERS to signify the school's intention to join OR you may contact me at 09173706250 or e mail me at geekjun66@yahoo.com

Sincerely yours,

SPACE QUIZ 2019

In celebration of WORLD SPACE WEEK 2019 the Bedan Society Of Young Astronomers – an astronomy club of San Beda Manila Senior High School Department will host SPACE QUIZ 2019 which is a friendly competition aimed at senior high school students based on themes around space science, space exploration and astronomy.

SPACE QUIZ 2019 aims to improve learning of space science and basic astronomy in senior high schools. The objectives of SPACE QUIZ 2019 are:

- To contribute to the improvement of awareness, interest, understanding and insight into the space sciences and basic astronomy;
- Celebrate the participation of different senior high schools in WORLD SPACE WEEK 2019 so as to foster interest of career opportunities in astronomy and space sciences

SPACE QUIZ 2019 Rules And Guidelines

1- Each participating school will have to form up a team of three senior high school students (ONLY ONE TEAM PER SCHOOL)

2- The quiz takes on the format of a number of identification questions where teams have to simultaneously answer

- Each leg of the quiz involves 60 questions: 25 questions for the easy round, 20 questions for the average round and 15 questions for the difficult round with an additional five clincher questions called the KOBAYASHI MARU ROUND. The questions will revolve on space sciences – rocketry and basic astronomy including dates of historic and unusual events in space exploration.

- Scores for each round will be added, final scores will be ranked. The school with the highest rank will be declared champion. Second and third place winners will also be declared.

So brush your space knowledge, take the warp speed jump and gear up for this ultimate and universal quizzing experience!
