CEU-Professional and Continuing Education (CEU-PACE)

The CEU Professional and Continuing Education (CEU-PACE) is a center that addresses lifelong learning needs of individuals or organizations through the design and delivery of continuing professional education and training programs for individuals, organizations and communities.

CEU-PACE fosters organizational effectiveness, personal growth, workforce and other concerns relevant to education and educational management and administration through the extension of traditional university programs with continuous learning solutions so that the programs are responsive, innovative, relevant and results focused.
