Assistant Schools Division Superintendent
Officer-In-Charge
Office of the Schools Division Superintendent

Maka-Diyos, Makatao, Mahakalikasan at Makabansa
14 August 2019

DR. JOEL TORRECAMPO
Superintendent
DepEd – Marikina Division

Dear Sir:

Greetings!

This is in line with the Dengue Awareness and Protection campaign of the Department of Health and the City of Marikina.

As we battle for this deadly seasoned disease, the City Health Office would like to seek the cooperation of all school heads and teachers by doing the following:

1. Identify all children, school staff, teaching and non-teaching personnel with fever by the school clinic nurse/staff through the use of thermometer (to be given free to all school clinic).

2. Children with fever should be brought to health centers for dengue testing, person with fever will be given Oresol immediately to avoid dehydration.

3. Encourage all school to implement 4S and 4 o clock habit.

Our staff will go around the elementary and high school to distribute thermometers for fever monitoring.

Thank you very much for your cooperation and immediate action to this appeal.

Very truly yours,

ALBERTO F. HERRERA, MD., MPH
City Health Officer
