Dear Dir. Cabral:

Greetings!

The Children’s Museum and Library, Inc. (CMLI) is a youth leadership organization that has a purpose of promoting the welfare and development of the country’s youth towards the attainment of Filipino nationalism. The organization is continuously shaping morally upright youth to become progressive members of the avant-garde Filipino society by providing avenues like leadership training, talent, development, and values formation.

The CMLI Junior Council – Regional Executive Boards (JC-REB) are the organization’s regional youth arms which are assigned to execute projects that can attain the objectives of the organization in their respective regions. They establish programs that equip the youth to become catalysts of relevant change and scheming leaders with proper ideals, matching the various aims and endeavors of CMLI. Likewise, the JC REB serve as the intermediary body between the organization and the different local chapters.

Among the projects of CMLI JC-REB NCR is their annual flagship project entitled “Sigabo” with this year’s theme being: “SIKLAB: Gisingin ang Diwa ng Lipunan, Nasionalismo ang Mag-aalab sa Ningas ng Pagtatagumpay”. It is an annual speech choir competition for both public and private high school sectors in the country. This year marks the 11th anniversary of efficient cultivation of solidarity among the Filipino youth and promulgation of the Filipino language, culture and arts, making it the most prestigious in the country.

During the entire occasion, Sigabo emboldens the Filipino youth and serves as an avenue to use their voices to convey their stance regarding various social issues that the country faces, in addition to the aforementioned Sigabo encourages the utilization of the Filipino Language and enlivens modern Filipino literature. The Orientation Seminar, attended only by representatives of the participating schools, will be held on August 17, 2019 at the National Engineering Center, Osmeña Avenue, University of the Philippines Diliman, Quezon City. The Elimination Rounds will be held on September 7, 2019 with Colegio de San Juan Letran Auditorium as the target venue. And finally, the long battle concludes as the finalists come to compete and take home the title of champion. The Finals Night will be held around the last week of October 2019. The council is currently trying to secure the Tanghalang Pasigueño as its venue for the Finals.

With your knowledge of this, it would be greatly humbling and appreciated to have your presence in our flagship project, Sigabo. We are looking for government agencies to help us make this event truly memorable for all. As a trusted organization in the community, your involvement would help us highlight the importance of this event. We hope that you will be interested in joining our effort as you help us in the facilitation and completion of this activity. Your support will surely be of great assistance to the success of this competition!
