Dear RD Cabral:

Greetings!

With the success of the 1st National Basic Action Research Masterclass for Public School Teachers held last July 27 to 28 at UP Diliman, we have received numerous requests to organize other round for those who were not able to participate due to limited slots. We are therefore holding the 2nd leg of the program. The NATIONAL BASIC ACTION RESEARCH MASTERCLASS: STATISTICAL AND QUALITATIVE DATA ANALYSIS MADE EASY will be held on September 7, 2019 at Consujie Hall, UP Bahay ng Alumni, UP Diliman Quezon City.

This program aims to equip teachers and school leaders with the rudiments of conducting both classroom and school-based action research projects to meet the demands of the Basic Education Research Agenda (DepEd Order No. 39, s. 2016).

This one-day masterclass will focus on the following modules:

1. Identifying quantitative and qualitative classroom and school data for action research;
2. Basic and Inferential Statistics for Action Research;
3. Qualitative Data Analysis for Action Research;
4. Reporting Findings in the Results and Discussion section;
5. Hands-on training in using statistical software.

Like in the first run of the program, we will only cater the first 70 participants. The description, cost, registration and other details of the program can be found in the
attached program brief. Preregistration is done through this link:
https://tinvul.com/CRARDATA

In this regard, may we request for the issuance of a Regional Memorandum for the widest dissemination of this program.

For inquiries, you may get in touch with us through think.smartreview@gmail.com or call us at 09565541178.

The deadline for registration is on September 4, 2019.

Thank you and best regards.

NATIONAL BASIC ACTION RESEARCH MASTERCLASS: STATISTICAL AND QUALITATIVE DATA ANALYSIS MADE EASY

Second Leg of the 1st NATIONAL BASIC ACTION RESEARCH MASTERCLASS FOR PUBLIC SCHOOL TEACHERS AND LEADERS
September 7, 2019
Valdez Hall, UP Bahay ng Alumni

PROGRAM BRIEF

PROGRAM OVERVIEW

With the issuance of the Basic Education Research Agenda (DepEd Order 39, s. 2016), teachers and school administrators are enjoined to conduct action research to address problems and challenges that beset schools. Problems and challenges in schools are found in various levels and aspects. They may be at the classroom level or school operations level. They may also be curricular or instructional in nature. In order to address them effectively, teachers and school leaders need to come out with interventions which are evidence-based and data-driven.

This one-day masterclass will focus on the following topics:

6. Identifying quantitative and qualitative classroom and school data for action research;
7. Basic and Inferential Statistics for Action Research
8. Qualitative Data Analysis for Action Research
9. Reporting Findings in the Results and Discussion section
10. Hands-on training in using statistical software

We will only cater 70 participants. Hence, we prioritize those who have secured their slots by paying the non-refundable preregistration fee of Php 800.00. The certificate of completion may be applied for crediting of CPD units under self-directed learning option.
