Dear Ms. Gayola:

Greetings!

STI College Marikina expresses its heartfelt gratitude for being our guests and judges in Senior High School (SHS) i-Learn and Share (ILS) Exposition. For the past two years, you have been part of our students' milestone in gaining experience upon the presentation of their products out of their creative minds and unique skills before they graduated from SHS.

Now on its third year of successful implementation, we would like to invite the public schools in Marikina City through your office to be the exhibitors by joining in our Exposition Contest with the theme “EntrePRENeur: Unleash the You, in what You Do” on February 20, 2020 from 1:00 pm to 5:00 pm. Participating schools shall send a group with their five (5) best Grade 12 students to present its output, either a product or service resulted from its research. The winning team shall receive full scholarship on the program that the winners desire. We have attached the school's participation confirmation and general mechanics of the contest for your reference.

Should you have queries, please feel free to contact us at 948-2978, 09174110633 or email us to dalia.canteros@marikina.sti.edu or frederic.yulo@marikina.sti.edu.

Your endorsement of our school to make this event happen will be highly appreciated. Once again, we would like to thank you for your continued support on our school's endeavour towards the SHS. More power!

Respectfully,

Ms. Dalia C. Canerros, MA., Ed.
Assistant Principal

MECHANICS OF THE APPLIED RESEARCH PRESENTATION CONTEST

General Guidelines:

1. This contest is open to all Grade 12 students in public schools in Marikina City.

2. Only one entry from each public school with maximum of five (5) members in the group shall be considered.

3. Each group shall have an output, either a product or service supported with a research to present before the panelists. The group has to select its representative.

4. The representative shall have a minimum of 20 minutes and maximum of 45 minutes including the time for the question and answer (Q & A).

5. The contestants shall be provided a booth with 3 feet in length x 6 feet in width where their products/services can be displayed or viewed. Decoration for the booth shall be provided by the entrants to be put up during the ingress in the morning of the event.

6. The entrants shall present their applied research in PowerPoint presentation.

7. The equipment needed for the presentation shall be provided by STI. However, the entrants shall submit their ppt presentation before the event begins thru a flash drive. Provide a backup in case the flash drive does not work or files are corrupted.

8. In the event of withdrawal of the group or any member of the group from the contest, the respective school shall provide a replacement.

9. The entrants shall wear their school’s complete uniform.

10. The prize for the winning team is “full scholarship” on the entire duration of the program chosen by the winner in accordance to STI tertiary scholarship guidelines.

11. The prize is non-transferable.

How to Join:

1. Participating schools must send the scanned copy of the confirmation letter provided by STI College Marikina, signed by the entrants’ adviser and endorsed by the school’s principal to dalia.canteros@marikina.sti.edu or frederic.yulo@marikina.sti.edu not later than January 10, 2019.

2. Upon the receipt of the letter, the link will be provided for the entrant’s online registration.

3. The registration is free of charge.
