Dear Sir,

By way of introduction, Republic Act No. 9369 mandates that there shall be a random manual audit (RMA) in one precinct per congressional district: randomly chosen by the Commission on Elections where the Automated Election System is used. Thus, the Random Manual Audit Committee, composed of the Commission, the Philippine Statistics Authority and an accredited citizens’ arm group, was formed. The RMA Committee has since pursued said mandate through the invaluable support of the Department of Education which provides the necessary teachers for the conduct of RMA.

In connection with the 13 May 2019 National and Local Elections, the RMA Committee has decided to centralize the conduct of RMA in a venue within the National Capital Region. As such, the RMA Committee is in need of one hundred eighty (180) teams of three (3) member-teachers, or a total of five hundred forty (540) teachers for the conduct of RMA. The RMA Committee is therefore seeking your assistance for the recruitment of 540 teachers to serve as Random Manual Audit Team (RMAT) members on 15 May 2019 onwards.

Under Resolution No. 10458 of the Commission, RMAT members should be public school teachers, giving preference to those who have served as members of the Electoral Board/Board of Elections Inspectors or RMAT in past Elections. RMAT members must:

a) be of good moral character, non-partisan and of impeccable reputation;
