Dear Sir:

Greetings of Peace!

We are pleased to submit again our proposal for a Re-acrobatic show. This is a wholesome show ideal for people's entertainment. This show can also inspire the students who are watching these talented OUT OF SCHOOL YOUTHS Filipino individuals. This show is also relevant to the MAPEH subject.

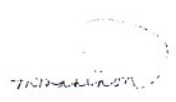

We are also campaigning for an ANTI DRUG ADDICTION. We also want to be a part of teaching these students to avoid any kind of vices. Instead, to encourage each student to indulge themselves to an exercises discovering their skills and talents.

The show is highlighted by the most thrilling basketball exhibition while riding their 3 and 12ft. high mono cycles together with their breath-taking stunts and the acrobatic feats which makes the show most spectacular to assure the audience real enjoyment and satisfaction.

In this regard, we would like you to be with us in this undertaking by the way of endorsing us to your different schools in NCR. This will be a great help in our foundation whose goal is to bring joy and inspiration to the people around us by using our skills as proud Filipino Acrobats. To enlighten you with this show, we will be available anytime to discuss with this matter.

Thank you for your kind attention. We look forward to your favorable response regarding this project.

More power to you!
