Mr. Wilfredo E. Pascual
Officer-In-Charge
Office of the Regional Director, DepEd NCR

Dear Mr. Pascual:

The **UP Organization of Business Economics Majors (UP OBEM)** is a duly recognized socio-academic organization based in the UP School of Economics, University of the Philippines Diliman. Now on its 31st year, UP OBEM continues to strengthen its presence as the sole business organization in the UP School of Economics, and stands by its commitment to promote academic excellence and provide exposure to both the business and Economics environment among its members and the student community.

This academic year, UP OBEM will once again hold **Econ No-Mix**, an annual economics convention that aims to bring together **300 high school students across the country** in order to promote Economics by introducing different economic concepts in various fields through talks and competitions. It will be held on **February 2-3, 2019** at the **UP School of Economics, University of the Philippines Diliman, Quezon City**.

Econ No-Mix 2019, entitled "**CLICK: Reinventing the Business Landscape through E-Commerce**", will focus on e-commerce and its current implications on Philippine society. The talks and competitions will serve as an avenue for the participants to learn about the role of e-commerce in emerging market economies such as the Philippines, and how it benefits the different sectors of society, all while being linked to basic economic concepts and applications that are evident in everyday lives.

In this regard, **we would like to ask your good office to support this significant event as we wish for your endorsement for this activity**. Attached is the official letter of invite.

Should you have any questions or inquiries, please don't hesitate to contact us. Thank you so much!

Sincerely,

Reevien Castillo
