We are the **Junior Philippine Geographical Society-UP Diliman (JPGS-UPD)**, an academic and socio-cultural student organization from the University of the Philippines Diliman. The activities of the organization are anchored in promoting the distinct discipline of geography amongst Filipino youth and imparting the relevance of geographical knowledge in tackling the issues and challenges of our society.

JOHN NIDO

As part of our events this coming **February 2, 2019**, we will be heading the annual National Geography Challenge. The event aims to promote and stimulate interest in the discipline of Geography to high school students. With the theme *"Homescapes: Building Identities, Empowering Societies"*, NGC will showcase the sub-discipline of **Cultural Geographies of Home** to the students. The event will be an avenue for the students to showcase their creativity, critical thinking, and knowledge in geography and the Philippine society through different activities.
