Dear Sir:

The Rotary Club of Marikina will be having its 50th Student Leadership Award on Friday, March 1 2019. This is a yearly under taking and signifies our club's concern for the youth. Invitation to participate is open to all Grade 9 or 10 students of public and private schools under the jurisdiction of your office.

The primary objective of this contest is to recognize outstanding leadership of the students and their achievements in their respective schools. They are indeed our future leaders and would need encouragement from within their campuses and even outside.

Highlights of the project are the submittal and authentication of academic, extracurricular and leadership track records; interview and delivery of impromptu speech on a current controversial issue wherein the following can be assessed- personality, intellect, communication skills.

We would be delighted to sit down with you to discuss the mechanics of this project. We would be glad to listen to your insights on how we can make this project a big success this year.

Hoping to hear from you. You can get in touch with us thru our secretary, Miss. Jean Jose 9423720.

Respectfully yours,

Rtn. Elmer B. Santos  
Chairman  
50th Student Leadership Award
