Greetings!

We are UP CMC Interdependent Student-centered Activism (UP CMC ISA), a political, leadership, and advocacy organization from the College of Mass Communication, University of the Philippines Diliman. In line with our advocacy of empowering today's youth, our organization will be holding an event called the Metro Manila Youth Convention or MMYC on the 7th of March 2020 at the University of the Philippines-Diliman (Final venue to be announced soon).

Now on its second installment, MMYC features the theme: "Beyond the Background, to the Forefront". This event aims to empower and make the youth realize that they are not just in the background, but have the power to be at the forefront of change as we tackle the issues of society that affect our development as a nation, today.

This is a one-day event that will be held on MARCH 07, 2020 at the University of the Philippines-Diliman. The convention will be divided into three major sessions which are the following: the FORUM which will feature other speakers to help paint the picture of today's Filipino society, the BREAKOUT SESSIONS where delegates will be divided into groups that cater to a certain social issue and finally, the PRESENTATION OF PROJECTS wherein delegates, in collaboration with different organizations, will create and forward their own projects in relation to their advocacies.

In line with our event, we would like to coordinate with your institution for a release of memorandum or endorsement of our event to schools under your division. This is to disseminate information about MMYC and to encourage the students to participate in the said event. Attached hereto is the pre-registration procedure and a short project brief for schools who wish to participate.

Apart from this, we would also like to request for your office's logo so that we could properly acknowledge your help in the future success of this event.

Should you have any questions or clarifications, you may contact us at 0956 156 5175 or email us at mmvc2018@gmail.com.

Thank you very much and we hope to hear from you soon!

Best,

Lea Mae Real

EVENT BRIEF:

MMYC is a one-day convention which aims to strengthen youth participation in crafting solutions for problems faced by the Philippine society. In its 2nd installment, MMYC will convene 200 YOUTH DELEGATES (ages 15-20 years old) from different schools inside and outside the Metro to raise awareness on various social issues, and to form collaborations with different non-government organizations (NGOs) wherein they can be aided and guided to turn their advocacies/projects into realities.

ACTIVITIES:

MMYC will help expose the youth with pressing issues of our time through a series of forums which will include talks on governance, education, health, and environment.

Aside from this, they will also be given an opportunity to visit the NGO fair wherein they can scout through different organizations and institutions that might interest them.

After raising the discourse on different strands of issues, we allow the youth to select to allow them to edit out the barriers of growth of society today.

MMYC will provide delegates with opportunities to bring up the highlights and bring down the shadows of our society through project and policy making workshops, and chances to volunteer for multiple NGOs.
