Director
Communication and Public Affairs Department
1. RULES ON ELIGIBILITY

1.1 All Grade 11 or 12 bonafide students of public and private high schools of Metro Manila may form a team of three (3) members to represent their school. They may register with the quiz organizer (Brainquest Chairperson) by filling up and returning the attached registration form until February 15, 2019 (Friday).

1.2 All registered contestants must be at the quiz venue at 8:00 am for verification of eligibility requirements.

2. GENERAL RULES

2.1 The contest is a team competition. Names of the contestants should be properly entered in the Registered Form provided. The organizers will not allow replacement of registered participants.

2.2 The contest is divided into two parts. The first part is the Elimination Round, which is an individual competition in Science, Math and General Information. The second part is a team competition called the Semi-Final and Final Rounds.

2.3 The Board of Judges shall be composed of distinguished faculty members from the College of Arts and Sciences. The decision of the Board of Judges regarding answers, protests and problems that may arise during the contest, shall be final.

3. PROCEDURE

Assembly area is at the JPL Hall of Freedom, 3rd floor of the Lyceum of the Philippines University at 8:00 am. The contest shall start at exactly 9:00 am of February 18, 2019, in the following room assignments: Room ___ (Science), Room ___ (General Info) and Room ___ (Math). Failure to appear five (5) minutes after the call for the team would mean losing by default.

3.1 Elimination Round

3.1.1. Each contestant will be given a set of questions according to the subject he/she is representing. The written examination is good for one (1) hour.

3.1.2. The use of calculator is NOT allowed in the Elimination, Semi-Final, and Final Rounds.

3.1.3. The top ten schools who will qualify for the Semi-Final Round shall be determined by the accumulated scores of the three contestants of each team.

3.2 Semi-Final Round

3.2.1. Questions in the Semi-Final Round shall be divided into Easy, Average and Difficult Levels. Each Easy Question shall have an allotted time of ten (10) seconds and an equivalent score of five (5) points for every correct answer. Each Average Question shall have an allotted time of fifteen (15) seconds and a score of ten (10) points for each correct answer. Each Difficult Question shall have an allotted time of twenty-five (25) seconds and a score of twenty (20) points for each correct answer.

3.2.2. All teams will be provided with answer boards and scratch papers.

3.2.3. Each team must submit its answer board right after the allotted time, whether or not it has come up with an answer.

3.2.4. Numerical answers must be written in two (2) significant figures, unless otherwise stated in the question.

3.2.5. The unit of the unknown physical and/or chemical quantity must be indicated in the answer.

3.2.6. Only the top five (5) schools will qualify for the Final Round.
3.3 Final Round

3.3.1. Scores from the Semi-Final Round will be disregarded and contestants will be on equal footing.

3.3.2. Questions in the Final Round shall be divided into Easy, Average and Difficult Levels. Each Easy Question shall have an allotted time of ten (10) seconds and an equivalent score of ten (10) points for every correct answer. Each Average Question shall have an allotted time of fifteen (15) seconds and a score of twenty (20) points for each correct answer. Each Difficult Question shall have an allotted time of twenty-five (25) seconds and a score of thirty (30) points for each correct answer.

3.3.3. A question may be nullified if members of the audience give audible or visible signals to the contestants.

3.3.4. Each team must submit its answer board right after the allotted time, whether or not it has come up with an answer.

3.3.5. All number answers must be given with proper significant figures, unless otherwise stated in the question.

3.3.6. The unit of the unknown physical and/or chemical quantity must be indicated in the answer.

3.3.7. No deductions shall be made for failure to give an answer or for incorrect answers.

3.3.8. In case of a tie, three tiebreaker questions shall be given. If the tie still exists, another question shall be asked until the tie is broken.

4. PROTESTS

4.1 Protests shall be entertained only if they are raised before the quizmaster reads the next question.

4.2 All protests shall be deliberated upon by the judges whose decision is final.

4.3 Other protests must be directed to the technical committee before the next round begins.

5. PRIZES

Cash prizes, trophies and medals will be awarded to the top 3 competing schools and special awards to the students of each category. Certificates will also be awarded to all contestants.
