The Polytechnic University of the Philippines Open University System in Sta. Mesa Manila is known as one of the pioneers of distance education institution in the Philippines. Since its first installation in the PUP Mabini Campus in Sta. Mesa Manila, it has already produced professionals who are known to their respective fields of specialization. The PUP OUS is already on its 29th year and it continues to soar in the field of graduate and tertiary level training.

Due to the growing number of professionals who are in search of flexible mode of learning, the PUP OUS widened its scope of offerings to cater the various needs of interested stakeholders coming from the different parts of the country and even abroad.

We are pleased to announce that our OUS Institute of Open and Distance Education is ready to accommodate your faculty for the program **Master in Education Management**.
