Dear RD Cabral,

Greetings from Philippine Business for Education (PBed)!

In partnership with Citi Foundation through our First Future Initiative, we are organizing a Work Immersion and Employment Caravan (Job Fair) on **July 11, 2019** at **Trinoma Activity Center from 10:00am to 6:00pm** for K to 12 students and graduates. There will also be an opening program at 11am. Through this event, we hope to encourage companies to open doors for work immersion and employment for K to 12 students and graduates, and provide a venue for the youth to be connected to the world of work.

We are inviting you to share this opportunity by giving a short message during the program and request the schools in your region to encourage their Grade 12 graduates and alumni, and current Grade 12 students to participate in the caravan. We are looking at having over forty (40) companies from multiple sectors to participate and open employment positions and work immersion positions. There will also be a work-readiness session from 1:00pm to 4:00pm at the same venue.

By way of background, PBEd is a non-profit organization established by the country’s top business leaders in 2006 to respond to the need for reforms towards the improvement of the Philippine education system. Over the past years, we have heavily advocated for the shift to the K to 12 system, a landmark legislation for sustaining national growth and competitiveness of the country.

To confirm to the event and for next steps, please contact our organizing partner through Mr. Cris Pablo at crisaldopablo@yahoo.com | 0906 329 2818. For other partnership concerns, you may reach out to Ms. Florence de Castro at fmdecastro@pbed.ph | (02) 801 4444 | 0977 678 7303.

Thank you and we are looking forward to your participation.

Best regards,

LOVELAINE B. BASILLOTE
