The Summit aims to gather all employees' organizations in the education sector to discuss the issues and concerns they are currently facing and identify policy resolutions. With this, we humbly request your good office to allow the following teaching and non-teaching personnel from different Schools' Divisions of DepEd-NCR representing different organizations to join the 2018 Education Workers Summit on **OFFICIAL BUSINESS**. Attendees from the non-teaching organizations will be identified by their leadership and the list will be forwarded to your office.

We believe that you are one with us in our over-all endeavor to create a healthier and a more productive work force by addressing their needs, interests and welfare. The Summit will not answer all these matters but this will be a great opportunity for the education workers to unite and find ways to address their needs, interests and welfare.

For more information, please feel free to communicate with us through 285-9948.

Sincerely yours,

Joselyn Martinez
President, ACT NCR
