Dear Madam:

Greetings of Peace!

College of Arts & Sciences of Asia & the Pacific (CASAP) is an institution that has made a name in the realm of education in so short a time since its foundation in 2011 by our visionary former mayor, Hon. Marides C. Fernando. The school's mission is to provide optimum knowledge through quality education and skills training, thereby molding our youth to become productive members of the society.

As part of our commitment to this mandate, we are offering a back-to-back presentation of two musical plays that would awaken the minds of our youth to genuine love and patriotism: **Florante at Laura** and **Supremo Andres Bonifacio**. These two plays will be shown on August 31, 6:00pm at CASAP Marikina. Admission is **FREE!**

In this regard, may we request your good office for a written endorsement to invite Junior and Senior High School students and teachers from both public and private schools in Marikina to watch the aforementioned plays.

Hoping for your positive response regarding this request. Thank you very much and God Bless.

Very respectfully yours,

TERESITA J. CERVANTES
School Principal
