Dear Dr. Torrecampo:

Greetings from PBSP!

We would like to thank you and the whole Schools Division Office of Marikina City for your invaluable support and partnership in our various education projects.

Together with Accenture Philippines, Inc., we are currently implementing the Skills to Succeed (S2S) Academy which uses a website that offers a total of 36 interactive modules that will help Senior High School students gain a better chance of getting employed.

The Skills to Succeed (S2S) Academy will be beneficial for the job-readiness of your Grade 12 students since the interactive modules are designed to develop soft skills of the participants that will be necessary in building their careers especially if they decide to look for a job after Senior High School. The S2S Academy website may also be used by your faculty members in your Revitalized Homeroom Guidance Program (RHGP) classes.

In line with this, we would like to ask for your support and approval in implementing the S2S Academy Sessions for the Senior High School students in the Division.

We would also like to seek a meeting with you, the Senior High School Focal Person and SHS Teachers for the conduct of an Orientation session about the S2S Academy.

Please feel free to contact the undersigned, through 02-5273748, 09085053492 and cfbalboa@pbsp.org.ph for concerns and inquiries.

Thank you very much!

Very truly yours,

Sincerely,

CHRISTINE F. BALBOA
