MR. WILFREDO E. CABRAL  
Regional Director  
Office of the Regional Director  
Department of Education - NCR  
Misamis st., Bago Bantay, Quezon City

Dear Mr. Cabral,

Greetings! We are a group of Pollution Control Advocates from ALAB and we are writing to express our intent to conduct free seminar on Environmentally Sustainable Practices to Students of Grade 7 to 10, Faculty and Staff of National Capital Region’s Public and/or Private Schools. The objective of this is to create awareness on our man-made pollution and:

- to reduce harm on the environment,
- to better manage wastage our finite resources and
- to create a solution to our pollution.

Our strong desire to spread our advocacies, our team is continuously working on ways to further carry out our passion and contribute to the society. One of which is by encouraging organizations and people to look out for the environment through powerful media such as free lectures and seminars.

ALAB is the Division of Infxx360 that provides Training and Consultancy Services on Environmental and Chemical Solutions. The company was conceived at the beginning of 2018 and was duly registered with the Department of Trade and Industry on October 16, 2018. Currently, we contribute by providing Chemical Awareness Training on Toxic Chemicals and Consultancy Services on Environmental Impact Management.

With all that said, we would like to request a recommendation/endorsement from your good office for us to conduct more or less an hour seminar for each school.

Attached herewith is our company profile and program details. Should you need further details you may contact me at these numbers 09178523239.

Yours sincerely,

JONATHAN DELA CRUZ  
Advocacy Manager
