Dr. Joel T. Torrecampo
Officer-in-Charge
Office of the Schools Division Superintendent
Marikina City

Dear Dr. Torrecampo,

Warm greetings from Ateneo Pathways!

Preparations for recruitment of Pathways’ 17th batch of high potential students from your public schools are underway. As such, we would like to request a meeting with you with the following agenda:

1. Present Pathways’ Proposed Recruitment Plans for its 17th batch of students (subject to Dep Ed and partner schools’ feedback) including plans to expand to your other high schools;
2. Request endorsement for the upcoming Pathways Coordinators’ Convention on June 27, 2019, which is an assembly of nominated teacher coordinators from your high schools and/or senior high schools; (Attached: list of identified teacher coordinators)
3. Report on the participation of Marikina teachers in the recent Turo Guro 2019 offerings of the Ateneo SALT Institute through Pathways (Attached: summary of teachers who participated in the workshops) and
4. Seek your input re: proposal for Outreach Workshops for Pathways partner schools for SY 2019-2020 beginning with a Workshop on Research on June 29, July 6 and July 13.

Also, as mentioned in our previous meeting, we reiterate Pathways and the rest of the Ateneo’s interest to work with Dep Ed to help high potential students gain access to formation and quality higher education. Now, with the strategic partnership of Pathways with the Ateneo SALT Institute, it has enabled us to also work with you to identify high potential teachers and even administrators who we can help gain access to further learning and formation as well.

I am free on the following dates:

- June 14 (Friday), anytime from 8am to 5pm
- June 19 (Wednesday) or 21 (Friday), anytime from 1:30 – 5pm
- June 20 (Thursday), anytime from 8am to 11am

We hope at least one of these dates is convenient for you. However, if these are not, we can try to find an alternative date that is convenient for both of us. We look forward to updating you on the developments over the summer as well as seek your support on our recruitment plans and how we can better work together in this new cycle. Thank you very much!

Sincerely,

Solvie T. Nubla-Lee
