Dear Dr. Torrecampo:

The Department of Science and Technology - National Capital Region (DOST-NCR) Food Safety Team advocates the promotion and compliance of food business establishments to the principles of food safety through various activities. One such activity is the conduct of food safety seminars for organizations such as MSMEs, community groups and state universities in NCR.

We would like to inform you that we are organizing a “Food Safety Awareness and Safe Food Handling Seminar” for school canteen concessionaires on June 20, 2019 (9:00 AM to 4:00 PM). This activity aims to promote food safety awareness and current practices on proper food handling and preparation for food handlers to minimize the risk of foodborne illnesses and contamination.

In line with this, we would like to invite canteen owners and/or food handlers from schools within your jurisdiction to attend the seminar. We have allotted two (2) slots per school. The seminar is free of charge but is on a first come, first served basis. Please be advised that your office will be informed of the final venue on June 13, 2019.

Kindly confirm your attendance on or before June 17, 2019 by sending the accomplished reply slip to our staff, Ms. Vanessa Joy C. Mapalo. She may be contacted at 837-2071 local 2018 or email at foodsafety.dostncr@gmail.com, should you have any inquiries and/or concerns.

Thank you and we look forward to your favorable reply.

Very truly yours,

JOSE B. PATALINJUG III  
Regional Director
