Dr. Joel T. Torrecampo
Officer-in-Charge
Office of the Schools Division Superintendent
Department of Education – Marikina City

Dear Dr. Torrecampo,

Warm greetings from Ateneo Pathways!

Thank you for your support of our programs! We would like to summarize our endorsement requests made in our previous letter, for your easy reference:

1. We would like to request for your endorsement for our upcoming Pathways Coordinators’ Convention on June 27, 2019 (Thursday) from 11:30am to 4:30pm at the 2/F Institute of Social Order (ISO) Building, Social Development Complex, Ateneo de Manila, Loyola Heights campus.

   For existing partner schools:
   a. They may opt to send previously nominated coordinators, or they may also opt to nominate new ones, but we would like to request to send at least one from Grade 10 and another one from Grade 11. Please see enclosed list, for your reference.

   For new partner schools:
   b. In line with our plans to expand the number of schools we recruit from within Marikina City, we also identified additional public schools whom we hope we can invite and partner with. May we request for your assistance in endorsing our invitation to them? Please see enclosed list as well.

2. We would also like to request for your endorsement to invite the principals from the additional schools we wish to invite to an Introduction to Pathways, also on June 27, 2019 from 11:30am to 2:30pm, at the 2/F Institute of Social Order (ISO) Building, Social Development Complex, Ateneo de Manila, Loyola Heights campus.

   For this event, we would like to invite the principals from the additional schools we would like to partner with, as well as newly transferred principals from the existing partner schools who may also not be familiar with Pathways’ work. We would like to personally introduce them to the Pathways program and hopefully seek their support.

3. We would like to request for your endorsement for our invitation to the enclosed existing and additional partner schools to the Science and Art of Teaching Qualitative and Quantitative Research which is a 3-whole day workshop (held on three consecutive Saturdays) on the following dates: June 29, July 6 and July 13. We also hope that you could
consider giving service credits to those who attend and complete the workshop. We are also working with PRC to give CPD credits to the same.

Also, so as not to take up much of your time, we would like to explore the possibility of Dep Ed Marikina assigning key point person/s within the division who we may coordinate with for the following areas:

- Youth Formation (mainly Pathways programs)
- Teacher Development (mainly outreach workshops for Marikina teachers with Pathways and the Ateneo SALT Institute)

Again, thank you so much for your support. We hope this will be the beginning of even greater collaborations between the Ateneo and DepEd-Marikina. More power and best regards.

Sincerely,

[Signature]

SIGN UP SHEET

The Science and Art of Teaching Qualitative and Quantitative Research
June 29, July 6 and July 13, from 8am-5pm
Three-day workshop (held on consecutive Saturdays)

Due to the high demand of this workshop during the Turo Guro Workshops last summer, Pathways and the Ateneo SALT Institute have decided to repeat this workshop, this time exclusively for teachers of Pathways partner schools.

We have initially allocated one (1) slot per partner school, however you can nominate up to 3 teachers, in case there are schools that do not send a representative or if there are teachers who back out. We shall definitely inform you before June 29.

By signing up though, you commit to participating and completing the three-whole day workshop. Please fax back to 920-0153 or email to pathways@ateneo.edu by June 24, 2019. Thank you very much!
