MS. SHERYLL T. GAYOLA

OIC, Schools Division Superintendent
DepEd – Division of Marikina City
Shoe Ave., Sta. Elena, Marikina City

Thru: Ms. Jessica S. Mateo, Education Program Supervisor - Science

Dear Ms. Gayola:

Warm greetings!

Now on its 4th season, the Philippine Foundation for Science & Technology is implementing the **2018 Search for Wyeth Nutrition Kid Innovators** sponsored by Wyeth Philippines, Inc. (WPI) in the two categories.

The **Upcoming Kid Innovators** category aims to develop and nurture the innate inquisitiveness and curiosity of young children to become future kid innovators. Activities in this category provide **simple scientific explanation** on questions related to the theme *Nutrition, Health and Wellness*. This category supports parent-pupil tandem for students ages 6 to 8 years old with supervision from a science teacher/adviser.

On the other hand, the **Kid Innovators** category will recognize innovative **science-related projects** related to the theme *Nutrition, Health and Wellness*. This category is a team competition with a maximum of three (3) members per team and 1 teacher-adviser for students ages 9 to 14 years old.

In this light, may we seek your assistance by way of helping in the dissemination of information to all public schools of Marikina. The application forms and fact sheets are available at www.wyeth.com.ph/kidinnovators and for inquiries and submission kidinnovator@wyethnutrition.com.

We would appreciate if the Division office can also share and upload the link to its website and social media accounts.

Thank you very much for your usual support to PFST and its science educational programs.

Very truly yours,

MAY M. PAGSINOHIN
Executive Director

Do you have what it takes to help change the world through Science?

JOIN THE 2018 SEARCH FOR THE

Wyeth|Nutrition
KID INNOVATORS

The Search for the Wyeth® Nutrition Kid Innovators is among the advocacy programs of Wyeth® Nutrition. Now on its fourth year, the search aims to partner with parents and experts in nurturing every child's potential for greatness. It aspires to mold awe-inspiring kids into society's future leaders. Together, let us support them in advancing our nation, one innovation at a time.

THEME: Nutrition, Health and Wellness

Category 1: UPCOMING KID INNOVATORS (6 to 8 years old)

Category 2: KID INNOVATORS (9 to 14 years old)

WHO CAN JOIN?

- Pupil-parent tandem with adviser supervision
- Individuals or a team with a maximum of 3 members

WHAT TO SUBMIT

- Science activity showcasing scientific skills like observation, data-gathering, data analysis, hypothesis-building, arriving at conclusions, and making recommendations
- Science project endorsed by Science department head and duly certified by school principal

GRAND PRIZES

Php25,000 cash

PLUS:

- Php25,000 worth of Science & Technology books and toys for the winner
- Php10,000 cash for the coach-adviser

Php100,000 cash

PLUS:

- Php100,000 worth of Science & Technology showcase for the school
- Php10,000 cash for the coach-adviser

For more information, turn to back page.

HOW TO JOIN

- Introduce and demonstrate the science activity/project with a **1 to 3-minute video presentation**
- Prepare a **written brief** with the following details: name of participant/s, coach and school; title and purpose of activity/project; inspiration of the activity/project; documented process; (*project abstract - for Kid Innovators Category only)
- Fill out **Application Form** (Form 1) and **Endorsement Form** (Form 2) which can be downloaded from the website
- **Submit the video and documents** on or before **August 31, 2018** via email with the subject title "Search for the Wyeth Nutrition Kid Innovators 2018"

CONTACT

Website: www.wyeth.com.ph/kidinnovators
