Attention: BAC Chairman; School Principals

Dear Sir,

Greetings!

Good procurement is essential to ensure good public services, from buying goods and services that work as they are supposed to, to achieving savings that can be ploughed back into front-line services. PhilGEPS is committed to proactively participate in the challenges of contributing to procurement reforms by maintaining a safe and secure internet-based, open, and competitive marketplace for government procurement. PhilGEPS also embraces the task in helping develop procurement professionals and partnering with other government agencies to bring about reforms that will reflect our fervor to ensure that procurement drives further advancement in our delivery of public services to match the Filipinos' rightly held high expectations for a government that serves the public's best interests.

The PhilGEPS System Modernization Project is on-going and is aimed to improve on the technical design and architecture of the system to ensure further efficiency and streamlining towards full implementation of electronic procurement in the country.

It is for this reason that we are extending this invitation to your schools division and all the schools within its jurisdiction to attend the PhilGEPS Training for Phase 1, and all other succeeding trainings for new system developments on the PhilGEPS so you can re-visit and familiarize yourself again with the use of the PhilGEPS and keep pace with the systems upgrade. We acknowledge that DepEd has issued Department Order No. 6, 5, 2008 with regards to PhilGEPS registration and posting, and we hope that implementation of such within the DepEd is adhered to.

Please accomplish the attached confirmation form which require a list of your participants. Also found therein are the corresponding dates of the training. Trainings are to be held for two (2) days at designated venues. Training fee is Php2,400.00/participant (inclusive of VAT) inclusive of a training kit, lunch and snacks. Please make check payment for the account of the E-BLACKBOARDS LEARNING AND SOLUTIONS INC.

For inquiries and/or clarification, please contact the training secretariat by e-mail at idealesales@e-blackboards.com or by telephone at (02) 721-4724, 661-8850 or you may contact e-BlackBoards Learning and Solutions Inc. at (02) 8615280, 9556499 or 8615245.

We hope to see you in one of our trainings!

Very truly yours,

Exec. Dir., ROSA MARIA M. CLEMENTE
