Joel T. Torrecampo
Schools Division Superintendent
Department of Education, Marikina

Dear Mr. Torrecampo

Greetings!

NBS College is the higher education institution (HEI) of NBS Educational Services. It is founded on nurturance, benevolence and service as its core values; with this, the school supports the attainment of personal growth and progress of every individual as it believes in everyone’s capacity for productive living. This will be made possible through varied human empowerment activities provided by the institution not only for its students and their families, but also for other members of the community. As such, we provide school and community-wide inclusive events that highlight the importance of good mental health, resilience, smart career choices and positive work values. We aim to do this by organizing life-building activities through that empower and provide equal opportunity to today’s youth.

In line with this, we would like to seek the support of the Division City Schools of Marikina by referring Senior High School Graduates who are in need for collegiate scholarships. We also hope that we can be allowed to conduct the NBS College Assessment Test (NBSCAT) at particular schools in Marikina for Free among interested scholarship applicants. We do on-site test examination if there are at least 20 interested examinees. Furthermore, when results are already available, we request assistance in following-up those who pass the said assessment.

Your support will help us extend this gift of collegiate education to deserving Senior high school Graduates. As such you may coordinate with us through 09175211829/2165716 or send an email to chelle.batanes@gmail.com rachelle.batanes@nbscollege.edu.ph.

We are looking forward for your support in this worthwhile endeavor.

With utmost regard,

Ms. Mary Rachelle Batanes, RGC
Guidance Counselor & Student Affairs Head

Ms. Camille Polinar
Admissions Officer
