**1st SIMP-AAG-STEMHub
 Multidisciplinary Research Festival**

The Ascendens Asia Group (AAG) and Singapore Institute of Multidisciplinary Professions (SIMP), organized Multidisciplinary Research Festivals (MRFs) to be held on August 17, 2018 at UST Angelicum College, Quezon City.

It aims to provide platforms to scholars to present their research works and engage them in intelligent discussions with other participants to gather more input towards enhancing their research work.

The target participants are Senior high school students, undergraduate and graduate levels.

For queries and more information, please contact the Secretariat through email at 1mrf_stem@ascendensasia.com, or call mobile number 0917.308.04.11, and landline number 554.55.98

RE: 1ST SIMP-AAG-STEMHub Multidisciplinary Research Festival to be held on 18th August 2018 at UST Angelicum College, 112 M.J. Cuenco St. Sta. Mesa Heights Quezon City, Philippines

Dear Mr. Cabral,

Greetings from Ascendens Asia Group (AAG) and Singapore Institute of Multidisciplinary Professions (SIMP)!

AAG and SIMP started this initiative of organising Multidisciplinary Research Festivals (MRFs). JRMCs intend to provide platforms for scholars to present their research works and engage them in intelligent discussions with other participants to gather more input towards enhancing their research work. MRFs also aim to extend opportunities to learn from seasoned professionals during plenary sessions as they talk about timely and relevant topics.

The MRFs is an open-to-all (senior high school, undergraduate and graduate levels) research festival to celebrate researchers who continue to strive for excellence in pursuit of knowledge enhancement for human development. Papers on any field of discipline across various themes that contribute to further learning and continuing professional development are considered. Authors of accepted papers may be invited to present their work through poster presentation. The multidisciplinary research festival is open to the public and everyone is invited to submit proposals for papers.

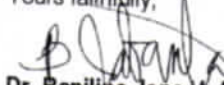

Publication: Research Papers Accepted and Presented in this research festival shall be digitally published in the: "**Ascendens Asia Journal of Multidisciplinary Research Abstracts**" (AAJMRA, ISSN: 2591-7064) submitted to the National Library Board of Singapore. E-copies of the MRF proceedings shall made available to the public via <http://www.aaresearchindex.com/ojs>, where output from previous conference/s are also available.

It is in this regard, that we request for your highly esteemed endorsement for the **1ST SIMP-AAG-STEMHub Multidisciplinary Research Festival to be held on 17th August 2018 at UST Angelicum College, 112 M.J. Cuenco St. Sta. Mesa Heights Quezon City, Philippines.**

I have attached herewith some relevant documents related to the event as well as our organisations. Please do not hesitate to contact us anytime through email at 1mrf_stem@ascendensasia.com, call/Viber/WhatsApp/SMS at +639173080411, or call us through telephone numbers +63 (2) 554 5598, should you have further queries.

Looking forward to your affirmative response. Thank you!

Yours faithfully,

Dr. Baniline Jone V. Abantao
VP, Operations & Business Development/MRF Co-Convenor
