Officers-in-Charge
Public and Private Schools

SCIENCE FILM FESTIVAL (SFF)
OF THE PHILIPPINE FOUNDATION FOR SCIENCE AND TECHNOLOGY

Attached is a letter from Ms. May M. Pagsinohin, Executive Director, Philippine Foundation for Science and Technology dated October 28, 2020, re: Science Film Festival (SFF) on November 4 to December 4, 2020, content of which is self-explanatory, for information and appropriate action.

Immediate and wide dissemination of this Memorandum is desired.

SHERYLL T. GAYOLA
Asst. Schools Division Superintendent
Officer-in-Charge
Office of the Schools Division Superintendent
28 October 2020

MS. SHERYLL T. GAYOLA
Asst. Schools Divisions Superintendent & Officer-in-Charge
Office of the Schools Division Superintendent
Department of Education-Division of Marikina
Sta. Elena, Marikina City

ATTENTION: MS. JESSICA MATEO
Education Program Supervisor for Science

Dear Ms. Gayola:

Greetings from the Philippine Foundation for Science and Technology-Philippine Science Centrum (PFST-PSC)!

Due to the unprecedented outbreak of Covid-19 not only affected the formal education system but also the informal learning setting due to suspension of off-campus activities, PFST-PSC keeps its educational commitment by strongly supporting the Department of Education’s Learning Continuity Plan for SY 2020-2021 – the blended learning.

While onsite visit is not possible, PFST-PSC maintains collaboration with institutional partners in bringing science learning fun and engaging for learners and teachers. One of which is the conduct of the Science Film Festival (SFF) organized annually by the Goethe-Philippines in partnership with the Department of Science and Technology (DOST) and Department of Education (DepED).

This year’s theme,“ Sustainable Development Goals” primarily aims to understand and explore set of possibilities aligned with science, technology and the environment to inspire action towards the sustainability and the betterment of people and planet. Said festival will run from 04 November to 04 December 2020.

For this year, the set of films is scheduled to view virtually via Vimeo, a video hosting, sharing service platform in response to the “new normal”. In this light, PFST-PSC would like to invite the learners and teachers of the Division to join this year’s SFF 2020. These set of films are both beneficial for the teachers and learners as it may be a great reference or resource to complement their lessons.
Learners and teachers are invited to register online. *(Note: Screening of the films outside the SFF Vimeo Showcase is not allowed due to copyright concerns).* Enclosed herewith is the copy of the procedure for the online registration.

PFST-PSC hopes Division of Marikina considers the invitation as a supplemental educational activity for the learners and teachers.

Again, PFST-PSC looks forward to another school year of mutual partnership and collaboration.

Thank you very much.

Very truly yours,

MAY M. RAGSINOHIN
Executive Director
STEP 1
Go to goethe.de/ScienceFilmFestPh and click on the Register Here button.

STEP 2
Fill up all the necessary information needed in the registration form and click Send.

STEP 3
Log in to the Email Address you used in the registration and check our Email with the access details to the SFF Vimeo Showcase.

STEP 4
Open the link to the Vimeo Showcase and enter the Password.

Enjoy watching!

Register now for the 11th edition of the Science Film Festival Philippines before it goes online from November 04 to December 04, 2020!

Check out the photos below to find out how to register and watch Science Edutainment films for FREE!
