ELISA O. CERVEZA
Chief Education Supervisor, CID/OIC-ASDS
Officer-in-Charge
Office of the Schools Division Superintendent
Advisory No. 279, s. 2019

November 11, 2019

In compliance with DepEd Order No. 8, 2013, this Advisory is issued not for endorsement per DO 28, s. 2001, but for the information of DepEd officials, personnel/staff, as well as the concerned public. (Visit www.deped.gov.ph)

3rd National Science and Engineering Fair Philippines

The STEM Hub which focuses on STEM Education will conduct the 3rd National Science and Engineering Fair (NSEF) Philippines at the Teachers’ Camp, Baguio City on January 31-February 2, 2019.

The activity aims to create a culture of research in the nation and bring out opportunities for learning and collaboration platform among participants.

The target participants are the elementary, junior high school, senior high schools' students and teachers from public and private schools to participate in the aforesaid activity.

For more information, you may contact:
Mr. Joseph R. Jacob
President NSEF, Philippines
09662082556/093253422791
Email Addresses: www.stemtrainings.com

This is issued for information purpose not an indorsement of the activity.
Dr. Malcolm S. Garma Ph.D.
Regional Director
Department of Education SDO
Misamis St., Bago Bantay, Quezon City

Dear Dr. Garma,

Subject: 3rd National Science and Engineering Fair Philippines

A pleasant day to you!

In support to the thrust of the Department of Education curriculum in cultivating a nation full of critical thinking and problem solving citizens through holistic learning and standards-based education, the STEM Hub, a premier institution which focuses on STEM Education, research and education programs would like to seek for your endorsement for the 3rd National Science and Engineering Fair (NSEF) Philippines to be held at the Teachers’ Camp, Baguio City on January 31-February 2, 2020.

The program aims to create a culture of research in the nation and bring about opportunities for learning and collaboration platform among the participants. In April 2018, there were about 300 young research finalists and observers with 81 research projects from all over the country participated in the 1st NSEF. We are successful in the digital publishing these abstracts in the National Library of Singapore through the support of our international partner Ascendens Asia Singapore. The event was followed by the 700 research participants in 2019 with 300 research projects nationwide making us the biggest scientific research gathering for the basic education in the Philippines. We have expanded this program to elementary, high school, college students and teachers to promote our thrust and support in the STEM education in a wider scope. Thus helping the country in the promotion and development of science literacy, critical thinking and problem solving skills among its people.

We respectfully seek for your usual support by helping us reach students and teachers who have great interest in the field of scientific and multidisciplinary research. Hoping that with your great support, we could be able to create a civilization filled with scientific minds that have greater appreciation and desire to improve the lives of the human beings, the society and the environment.

Attached are the details of the events as well as the program matrix.

Thank you very much!

Sincerely,

JOSEPH R. JACOB, LPT, MBA, MAEd, FRIED
President, NSEF Philippines

How to join:

I. The project focal person/lead or the adviser shall email us to express the intent to join NSEF 2019. All emails must be done by the teachers (project lead, research adviser, school administrator) or parent of the student with no research adviser. Please attach the following:
   a) Registration Information:
      | Category | Sub Category | Project Title | Proponents/s | Grade Level | School Address | Advisor (for research only) | Email Address | Contact Number |
      |----------|--------------|---------------|--------------|-------------|----------------|---------------------------|--------------|----------------|
   b) Abstract for the Research Competition (for research entries only)
   c) Project Description (for research entries only)
   d) Lesson Plan (for the teacher lesson plan contest only)
   e) SIM (for SIM contest only)
   f) Copy of the deposit slip of P300 pre evaluation fee for all contests except the quiz bee.

   Registration to the National STEM Quiz Bee is P1,000 which includes the FREE 3-day observer’s access to the NSEF 2020 programs.

II. Submission of entries for pre-evaluation is on September 15, 2019 to December 6, 2019. Feedback to the entries shall be given within two weeks after the submission. Early submission of entries is an advantage to have an ample time for the revision when necessary.

III. Details to the competition proper shall be given after the confirmation of the finalists.

IV. All the FORMAT and specific guidelines for each category may be requested on the email provided.
