DR. SHERYLL T. GAYOLA

Schools Division Superintendent
Department of Education Marikina

Dear Dr. Gayola,

Greetings of peace from Our Lady of Perpetual Succor College!

OLOPS College is a premier educational institution situated in the heart of Marikina that offers relevant, quality, and holistic education from Preschool to College.

We are proud to offer our **Senior High School Afternoon Shift** program to incoming Grade 11 students in Marikina this school year 2020-2021. This program is especially intended for Junior High School completers from Marikina Public Schools with no top-up required. The tuition fee will be subsidized by the government through the SHS Voucher Program of DepEd.

With that said, we would like to request your permission for our team to conduct talks during parent convergences to be held by public junior high schools in Marikina in the next few weeks. We will be presenting details of the FREE SHS education such as our program offerings (Tracks & Strands), application procedure, requirements, and Learning Continuity Plan, among others.

It would be our utmost pleasure to give the youth of Marikina the opportunity to receive the OLOPSC quality education and experience its caring culture within the safety and comfort of their own homes. We hope for your support in this endeavor of ours. Thank you very much and God bless you!

Sincerely,

MS. ANGELICA GREY FLORES
School Promotions Officer
