Dear Dr. Cabral:

Greetings from Philsilat!

The Philsilat Sports Association, Inc. is the National Sports Association (NSA) of Pencak Silat athletes and coaches. Philsilat is a proud regular member of the Philippine Olympics Committee (POC). Further, we are recognized and supported by the Philippine Sports Commission (PSC) and an affiliate member of the International Pencak Silat Federation (PERSILAT) and a regular member of the Asian Pencak Silat Federation (APSIF).

Philsilat aims to promote, propagate and develop Pencak Silat as a sport that can be performed by all segments of the community in the Philippines, regardless of religion and culture, and to promote it as healthy, popular and interesting activity. Furthermore, we hope to be the well-known ethnic martial art sports in the country that offers an avenue for community development through sports.

At present, pencak silat is a demo sport in the Palarong Pambansa for the past 3 years, through the assistance and support of the Department of Education. Through DepEd we are bringing closer to grass-roots Pencak Silat as a safe and highly formative sports for children, since it promotes good values and virtues among our young students. It is in this line that I am asking support and assistance from your good office, on behalf of our young pesilats (pencak silat athletes), DepEd Coaches and Technical Officials for the coming NCR Athletic Meets. We wish to ask your good office to support our programs for the DepEd coaches and young athletes. In regards to this, I would like to invite your teachers and students to attend our NCR Unified Pencak Silat Training every 3rd Saturday of the month at Philsilat Central Gym, Rizal Memorial Sports Complex P. Ocampo St., Malate, Manila from 8am to 12nn.
This is free and open for teachers and students who wants to learn basic skills in Pencak Silat. Teachers will learn the basic concept and principles of coaching guided by the coaches and trainers in NCR. Students will learn the basic knowledge and skills in Pencak Silat and eventually could join competition through consistent training and participating in the program.

Further, I would like to seek a courtesy call between you and our NSA, to discuss matter that will benefit student learners and teachers of DepEd in the National Capital Region. I hope we can set-up a meeting at your convenient date and time. We will call your office to confirm possible meeting date and appointment. Should you have any queries, please feel free to get in touch with me at 0998-9974569.

Thank you very much and we look forward to your kindest support and assistance to our young pencak silat athletes and teacher coaches and technical officials. Mabuhay!

Sincerely,
