Dr. Malcolm S. Garma
Regional Director

Dear Dr. Garma,

UP Circuit is an academic, non-profit, and non-political organization based in the Electrical and Electronics Engineering Institute (EEEI) of the University of the Philippines – Diliman. The organization aims to promote academic excellence in the field of Computer, Electrical, and Electronics and Communications Engineering that will encourage holistic development of its members through various activities within and outside the university.

With the tradition of promoting academic excellence, UP Circuit has been bringing together the country's top young minds in the field of Electrical and Electronics Engineering in a battle of wits and brilliance. SquEEZe, our flagship event, is the only national intercollegiate Electrical and Electronics Engineering quiz show in the Philippines. Now on its 23rd year, SquEEZe continues to bring a set of events that will engage more excitement and challenge, not only for college students, but also for high school students from the different regions across the country, who are willing to compete and test their intellect against other schools. Along with the annual intercollegiate quiz show, a workshop will be conducted, which aims to familiarize participating high school students with the basic applications of Electrical and Electronics Engineering, thus making them appreciate the field even more.

SquEEZe: The National EEE Competition and Convention will be held on November 4 at the National Center for Transportation Studies Auditorium in U.P. Diliman

In line with this, we would like to cordially ask for an endorsement from your office. This endorsement would greatly encourage students from different schools in participating in this campaign of academic excellence that our organization is to impart. With the endorsement of the Department of Education – NCR, we are hoping for a greater chance in extending this campaign to the bright minds of many young students.
We are looking forward to hearing a positive response from your office. For questions and concerns, please contact the undersigned event's heads or the head of competition, Pamela Jane A. Maucesa (+63 927 228 5135). A copy of the competition handbook is also attached.

Truly yours,

Carl Adrian Eatco  
Co-Overall Head  
SquEEEze

Efrain Aquino  
Co-Overall Head
