Dr. Wilfredo E. Cabral
Regional Director
DepEd Region NCR

Dear Dr. Cabral,

Good day!

The Teacher's Gallery (TTG) is a social enterprise which aims to offer learning opportunities related to inclusive education to both teachers and the broader education community that inspire transformational change and provide the community with the tools necessary to enact this change. As part of TTG's core programs in empowering educators, we would like to hold a retreat-workshop entitled, **"The Power of a Teacher's Heart: It Can Change A Student's Life. It Can Change the World"** this **October 19-21, 2018 in Tagaytay Haven Plaza Hotel.**

The retreat workshop will focus on values formation – a combination of mindfulness practices and a wellness guide focused on the following areas: Physical, Occupational, Emotional, Financial, Spiritual, and Physical. It will guide the teachers go through an inventory checklist and a change organizer developed by our very own Keynote Speaker and author of *The Power of a Teacher*, Dr. Adam Saenz. Apart from being a psychologist and therapist, he is a professor and once a teacher in K-12, and most importantly an advocate for maximizing teacher impact in classroom.

Last year, through the collective efforts of our local (DepEd) and international partners (UNICEF, Save the Children, BEST Program among others), we were able to host two (2) International Seminars on inclusive education benefitting mostly our local educators. We were able to gather close to 2,000 participants in these 2 major undertakings and we are proud to say that these efforts have empowered our educators to open their hearts and minds in making sure that all children receive quality education.

We are reaching out to you for your endorsement of our kick-off Wellness Workshop Caravan that we plan to roll out across the country. Our registration rate is Php8,500.00 inclusive of 3D2N accommodation, meal, workshop kit and certificates.

Your utmost support for our advocacy programs is highly appreciated.

Sincerely,

Mai Roble
