School Division Office of Marikina  
Marikina City

Dear Dr. Torrecampo,

Good day!

City Savings Bank has always been at the forefront of developing stronger partnership and linkages with our external stakeholders through our various Corporate Social Responsibility (CSR) interventions. CSR is an integral part of how we do business and is aligned to the bank’s advocacy to give back to the communities where we operate.

With our continuing efforts to look after the welfare of Filipino public school teachers, we would like to promote their wellness through Project Pink: Breast Cancer Awareness Program for Teaching and Non-Teaching Staff scheduled on October 2019. This activity aims to educate and raise awareness among public school teachers on prevention and early breast cancer detection in order to reduce the risk of breast cancer cases among women.

In line with this, we would like to request for your assistance to extend this invitation to public school Principals or School Heads from Division of Marikina. We are looking at maximum of 50 Principals or School Heads from different schools for this initiative. The lectures are free of charge and AM snacks and lunch will be provided. Attached is the program flow for reference.

Should you have any questions and/or clarifications, please do not hesitate to contact the Branch Business Head – Marikina Branch at 0917-8557948 or 632-0980 or email me at karen.geronimo@citysavings.com.ph.

We are looking forward to your positive response and support on this health advocacy and breast cancer awareness.

Yours sincerely,

KAREN R. GERONIMO  
Branch Business Head-Marikina
