To:

Good day!

We are the Philippine Association of Chemistry Students, Inc. This coming 23rd of November, 2019, we will be holding the Junior Chemistry Congress (JCC 2019) in partnership with Adamson University Chemistry Society. JCC 2019 entails to senior high school students that are interested in the field of chemistry.

Attached in this email is our letter of intent asking for aid for you to invite schools in your division to take part in our event and also the event mechanics.

We are hoping for your consideration on this matter. Should you have any questions or concerns, please do not hesitate to contact us through this email.

Letter for DepEd.docx

Thanks and regards,

Brian Joseph Permejo

Dear Sir/Madam:

Greetings!

We are the Philippine Association of Chemistry Students, Incorporated (PACS, Inc.), a national student organization of self-directing and conscientious Filipino Chemistry students committed to upholding excellence in the study of and application of Chemistry.

In line with this, we will be holding the Junior Chemistry Congress 2019 on the 23rd of November 2019 at Adamson University, Manila City. This event aims to promote Chemistry and other related fields (e.g. Biochemistry, Chemical Engineering and Food Technology) as a college degree program for high school students and to introduce career opportunities that lie ahead.

In order to achieve these objectives, we humbly ask for your help in promoting our event to different high schools within your jurisdiction. May we also ask for any information you may have that can help us in reaching out to them personally.
Attached herewith are our organizational profile, Security and Exchange Commission (SEC) Registration Certificate, and the program design for your reference.

On behalf of PACS, Inc., thank you and we look forward to your approval.

Sincerely,

BRIAN JOSEPH M. PERMEJO
Executive Vice President
Philippine Association of Chemistry Students, Inc.
